He says, like everyone.

-I did talk to my cousin and he said that people like Jowdy have a lot of power and money to control people. He's been doing this for years . He also talked to a few FBI AGENTS and said we do need to be careful because they can fuck up a persons life . Just like they did to Phil . Very dangerous people too . He will look into it more and get back to me

How is Phil doing ? Have you talked to Him lately?

I told him and sent him the points that we were using for just mean and I got a response of this and I had also asked about any ideas anybody he knows anybody that knows someone any politicians are any reporters anything

-Yes , I would like to write him . I have many family members that are lawyers, judges and a few local politicians . Send me all the information and I'll have my cousins look at the case.
